Dentons' US Emerge Sponsorship Program explained by past participants

July 19, 2023

The Firm's US Emerge Sponsorship Program advances high-potential diverse lawyers into partnership and leadership. The 18-month program pairs sponsors and protégés from across the US who work together to pursue opportunities for business development and for personal and professional growth. Since its initial launch in 2014, our Emerge Sponsorship Program has been instrumental in nurturing and empowering emerging legal professionals. We talked with some of the program's past participants who shared their experiences, challenges and triumphs as they navigated their way to partnership or shareholder status.
