One Fleet Place is located at the northern end of the Fleet Place Estate, which stretches from Holborn Viaduct to Ludgate Hill. The building has two entrances: on the main Fleet Place courtyard and on the walkway between the courtyard and Holborn Viaduct.

Underground

St Paul's (Central Line) is the principal Underground station for Fleet Place and is located just a few minutes' walkaway. Leave St Paul's at the Newgate Street exit, turn left and follow Newgate Street as far as Starbucks and City Thameslink station (on your left). One Fleet Place is behind City Thameslink station. Alternatively, both Farringdon station (Hammersmith and City, Metropolitan and Circle Line) and Blackfriars station (Circle and District Line) are in close proximity to Fleet Place.

From Heathrow

Take the Underground (Piccadilly Line) to Holborn station, then change on to the Central Line to St Paul's station.

From Gatwick and Luton Airports

Take the First Capital Connect rail service to City Thameslink station.

From London City Airport

Take the Docklands Light Railway (DLR) to Bank station and then the Underground (Central Line) to St Paul's station.

From Stansted Airport

Take the Stansted Express rail service to London Liverpool Street station and then the Underground (Central Line) to St Paul's station.

Rail

One Fleet Place is situated directly next to the Holborn Viaduct exit of City Thameslink station. This station serves London Gatwick and Luton airports via the Thames Link rail service and is just two stops from St Pancras International, which offers Eurostar rail services to continental Europe.

Parking

Parking meters are available in the surrounding streets.
