

Business Future-Proofing Tool

A legal assessment tool to prepare
your business for the future.

The COVID-19 pandemic has shown us that, as a business and legal community, the ability to be agile and responsive is critical to ensuring business survival.

We have navigated uncharted territory, adapting to rapidly changing legal and governmental requirements. In doing so, we have developed solutions to help our clients make informed decisions for the long-term survival of their businesses.

By listening and working with clients, we have gathered these solutions into an online resource for businesses and in-house teams, both big and small.

Dentons' Business Future-Proofing Tool is designed to help navigate the next phase of the 'New Dynamic', addressing key legal issues and managing risk across a range of legal areas.

Dentons Business Future-Proofing Tool covers these legal areas

General Contract

Tax

IT, Data & IP

Real Estate

Corporate

Insolvency & Restructuring

Banking & Finance

Competition

Employment

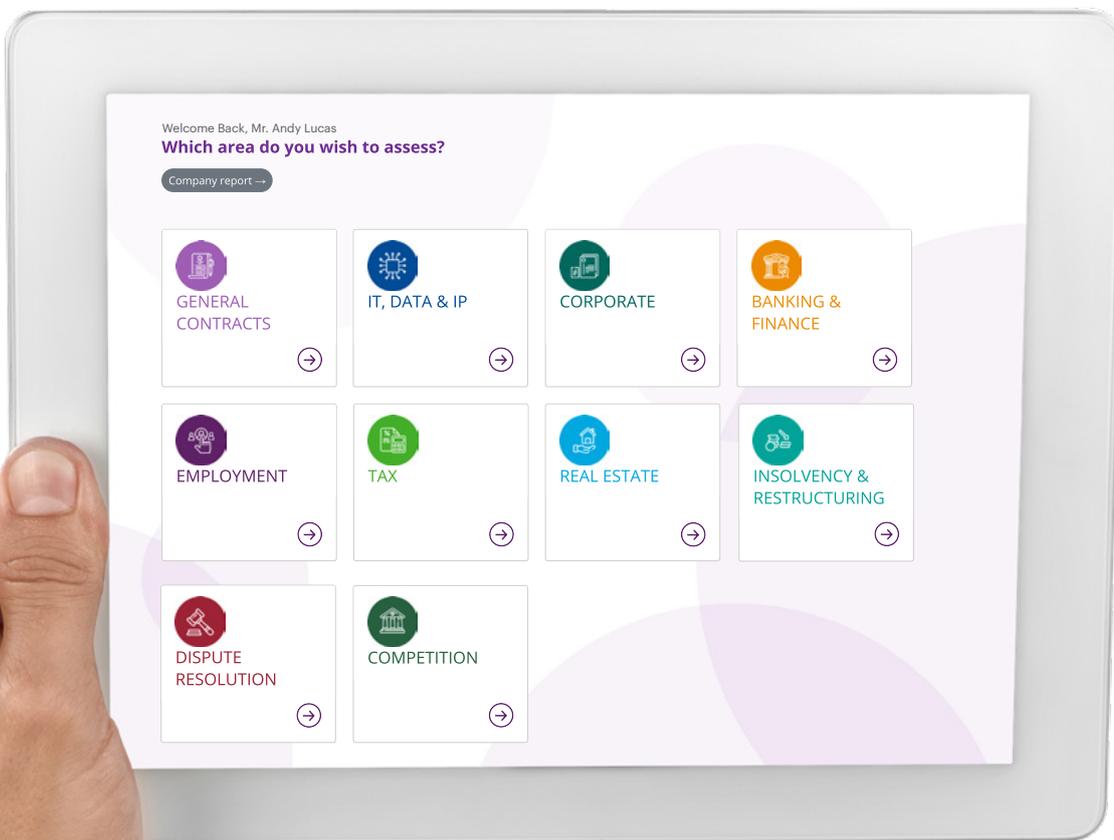

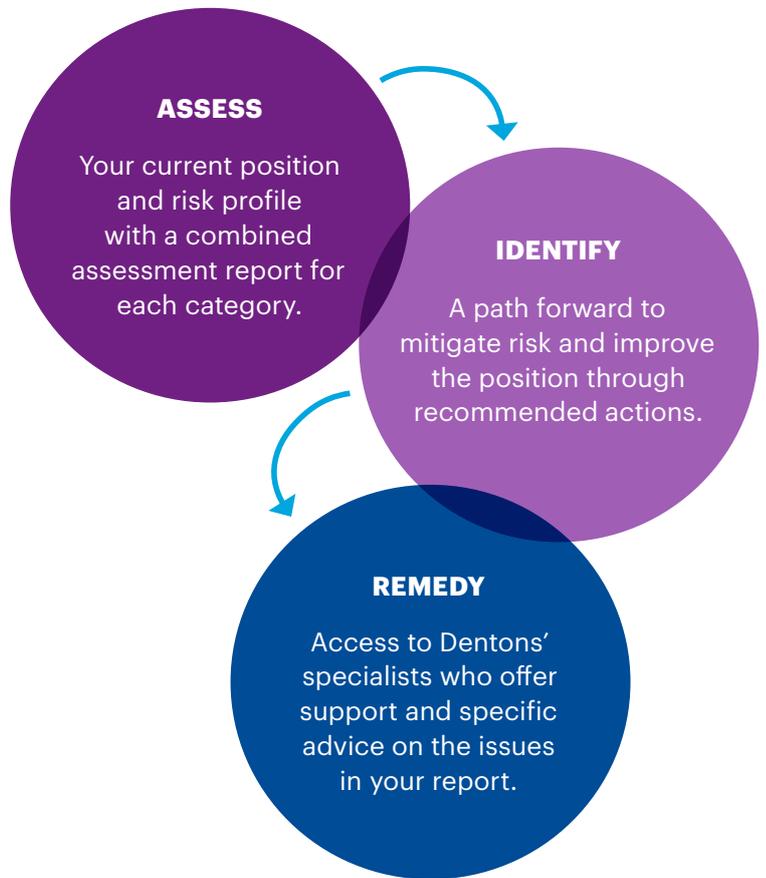

Dispute Resolution

Business Future-Proofing Tool

Dentons' Business Future-Proofing Tool is a simple, easy-to-use online resource. It supports businesses in the UK by assessing, identifying and remedying legal issues across **10 core legal disciplines**, providing information to inform critical business decision-making.

Following a short questionnaire assessment for each of your chosen areas, a bespoke report will be produced that identifies a path forward to mitigate risk or improve your position within each category, offering recommended actions and example drafting.
