Germany

CrowdTuesday hits Berlin this summer. The crowdfunding and start-up ecosystems are invited to get together for two hours of presentations, discussions and networking.

CrowdTuesday brings the crowdfunding industry together at a local level. Characterized by an informal and welcoming atmosphere, CrowdTuesday is a perfect occasion for anybody interested in crowdfunding to do some networking or to listen to an interesting presentation, while having an after work drink. The upcoming CrowdTuesday will concentrate on current crowdfunding trends in Germany. Participation is free of charge, but requires registration.

The speakers at this year's CrowdTuesday include representatives from Deutsche Börse AG, BaFin as well as from various platforms.

The events will be moderated by **Robert Michels**, a partner at Dentons. Presentations will be held in German and will be followed by an hour of networking.

If you are interested in attending the event, please contact **Marcel Schmidt**.
