Date: July 30, 2019.

Time: 1:15p.m. - 5:00 p.m.

Location: Dentons Offices, 1900 K Street, NW, Washington, DC 20006

- | | |
|-----------------------|--|
| 1:15 - 2:00 p.m. | Registration, Lunch and Networking |
| 2:00 - 2:05 p.m. | Welcome from Dentons: Charles Wood (Head of Dentons Global LNG Group) |
| 2:05 - 2:30 p.m. | LNG Market overview; supply, demand and other market dynamics
Keynote Speakers: Rick Smead (Managing Director, Advisory Services, RBN Energy LLC) |
| 2:30 p.m. - 3:45 p.m. | Markets, players and new technologies in North America
What does the North American market and supply outlook look like?
<i>This panel will focus on issues around getting US and North American LNG to market, including trade and other policies, the licensing of new projects and exports of LNG; the queue for new projects; project/financing structures; the rise of new liquefaction technologies and other issues affecting the North American LNG outlook.</i>
Moderator: Jay Costan (Partner, Dentons)
Panelists: Amy Sweeney (Director, Office of Regulation, Analysis, and Engagement at U.S. Department of Energy (DOE)); Dustin Meyer (Director of LNG Outreach at the American Petroleum Institute); Charlie Riedl , (Executive Director of the Center for LNG). Greg Vesey (CEO & Managing Director, LNG Limited). |
| 3:45 - 4:00p.m. | Break and networking |
| 4:00 - 5:15p.m. | New Business and Financing Models
How is the market shaping up?
<i>This panel will address where US LNG is headed, in terms of the markets to be served, the types of buyers in those markets, pricing and pricing dynamics, changes in contract and shipping terms, who, what, and where the competition is, the rise of a spot market, and other market dynamics likely to shape the US and North American LNG outlook.</i>
Moderator: David Tennant (Partner, Dentons)
Panelists: Ira Joseph (Head of Global Gas and Power Analytics, S&P Global Platts); Pat Breen (CEO, Gas Strategies); Jeff Hammad (Vice President Commercial, Golden Pass LNG); Dr. Dean Foreman (Chief Economist at the American Petroleum Institute). |
| 5:15p.m. | Closing remarks: Charles Wood (Head of Dentons Global LNG Group) |
