

Critical developments in data 2.0

大成 DENTONS

Date and time:

Start: November 3, 2020, 1:30 PM EST

End: November 3, 2020, 3:00 PM EST

Our Transformative Technology and Data Strategy group hosted a webinar on critical developments in data privacy landscape in Canada. During this session our presenters discussed practical strategies for risk management and provided insight into the modernization of privacy legislation across Canada.
