

Dentons supports 13th International Bátor Tábor Charity Golf Event

September 4, 2015

Dentons is proud to announce its participation as a co-title sponsor of the 13th International Bátor Tábor Charity Golf Event, which takes place today at the Pannónia Golf & Country Club in Máriavölgy, followed by a Charity Gala Dinner at the Kempinski Hotel Corvinus Budapest. Dentons supports the event alongside HBO Europe and AMC Networks.

Dentons supports the work of the Bátor Tábor Foundation, which organizes free therapeutic recreation camps for Central European children living with cancer, diabetes, rheumatoid arthritis or other chronic diseases. Over the past 14 years, more than 6000 children have participated.

Bátor Tábor is the only Central European member of the Paul Newman's Serious Fun Children's Network, receiving campers from the hospitals of Hungary, Czech Republic, Slovakia, Poland and Romania.

The Charity Golf Events have been a major source of support for the Bátor Tábor Foundation since 2003. The event has become a remarkable charity program and prestigious networking event for businesspeople and decision-makers in Hungary and Central Europe.

"As a long-term supporter of the Bátor Tábor Foundation, I am personally very proud of Dentons' support for this year's Charity Golf Event," said Rob Irving, partner at Dentons and co-chair of the firm's Global Private Equity Group. "The Foundation's work for CEE children reflects Dentons' concern for the future well-being and development of societies across the entire region."

"We welcome Dentons' support for the 13th International Bátor Tábor Charity Golf Event," said Steven Juhász, a board member of the Bátor Tábor Foundation and one of the main organizers of the Golf Event. "Dentons is the kind of top-flight professional supporter present across the entire region that we need for this event and for the Foundation's work."
