

Brussels Partner Nora Wouters speaks at the Alternative Investment Management Summit in Abu Dhabi

DENTONS

April 24, 2017

For the second time in six months **Nora Wouters**, partner in Dentons' Brussels office, was a presenter at the Alternative Investment Management Summit (AIM) in Abu Dhabi. The event brought together investment professionals from around the world with US\$8 trillion in assets under management.

The panel session provided participants with an opportunity to learn about new investment trends as well as the fragmented regulatory environment. The session was a golden opportunity for the audience to obtain legal insights from local regulators and leading international finance lawyers from the US and Europe.

The AIM Summit is attended by sovereign wealth funds, family offices, investment managers, AIMA members, high net worth individuals, insurers, pension schemes, private banks, asset managers, endowments and other institutional investors. This year's edition of the Summit was held on March 30-31 at the Four Seasons Abu Dhabi.
