Chambers and Partners recently named BGD Partners **John Cummins**, **Mark Oppenheimer**, Timothy Dunn and **Greg Duncan** as "top ranked" attorneys in its 2017 High Net Worth Guide.

Chambers and Partners produces expert guides for the USA, UK, Europe, Latin America, Asia-Pacific, Canada and Global market and last year launched the Chambers High Net Worth guide – a publication specifically aimed at the international private wealth market. The guide will be used by family offices and professional advisers to wealthy individuals, providing objective guidance on an international scale.

"I am pleased to see John, Mark, Tim and Greg recognized for their diligence and hard work on behalf of our clients by this prestigious publication," said Tobin McClamroch, Managing Partner of the firm. "Our clients have come to depend on these leaders, and the entire BGD estate planning team, to apply professional integrity, compassion and skill to the development and execution of their estate plans."

London-based Chambers & Partners, publisher of the world's leading guides to the legal profession, conducts research into the strengths and reputations of U.S. law firms by state, through in-depth interviews with peers and competing firm attorneys, in-house counsel and significant purchasers of legal services.

Notable excerpts from the High Net Worth Guide include the following.

Regarding BGD Partner **John Cummins**, *"He is very strong technically and has a wonderful work ethic, which in this context is about being responsive to client needs and deadlines, and he's really smart,"* says one source.

Regarding BGD Partner **Mark Oppenheimer**, *"He has a reputation as someone for family succession planning and advises closely held business-owning families who need consultants,"* states one market commentator.

Regarding BGD Partner Timothy Dunn, a local wealth adviser says he is *"very detail-oriented – he thinks ahead in terms of cash flow, for example, which a lot of attorneys don't."*

Regarding BGD Partner **Greg Duncan**, *"He is nice and professional; people who work with him feel well served and have a good connection with him."*
