April 11, 2018

Dubai —Dentons advised DMCC (Dubai Multi Commodities Centre) on the operator selection and hotel management agreements for a five-star hotel to be situated in DMCC's landmark Uptown Dubai project.

SO/ Uptown Dubai, set to open to guests by late 2020, will feature 188 rooms in addition to 215 branded residences. It is the first So destination to be announced in the Middle East, operated by Accorhotels.

DMCC's world-class Uptown Dubai district, within walking distance of Jumeirah Lakes Towers, is feted to become the new 'Hotspot' of Dubai offering a 24/7 live, work, thrive, experience for residents and businesses. Internationally renowned architects Adrian Smith + Gordon Gill designed the two super-tall towers that will anchor the 10 million sq/ft development.

Joe Carroll, senior associate at Dentons' Dubai office, commented: "We are delighted to have assisted DMCC in realising its vision of bringing a truly unique hotel concept to Uptown Dubai. This is yet another example of Dentons' ability to deliver for our clients on leading-edge transactions."

The Dentons' team included senior associate Joe Carroll working closely with Joby Beretta, a senior consultant to the Firm.

Paul Ashton, Executive Director, Property, DMCC, said: "DMCC's Uptown Dubai district is well and truly underway and we are delighted to announce the arrival of our first luxury hotel and residential brand So/Uptown Dubai. Another first for DMCC and Dubai, and great milestone for this world-class premium development".
