

Dentons Paris advises Lisi Aerospace

July 12, 2019

Paris —Dentons Paris advised Lisi Aerospace on the sale of all its shares in Indraéro Siren to Quantum Capital Partners.

Indraeo Siren, is a subsidiary of the LISI group specialising in the assembly of aeronautical structures, based in Argenton sur Creuse and Casablanca via its subsidiary Lisi Aerospace Creuzet Maroc SA. It has 429 employees in France and 283 employees in its Moroccan subsidiary.

Quantum Capital Partners (QCP) is a growing international investment company based in Munich. Its activity focuses on companies with high development potential, such as orphaned and non-performing assets in large conglomerates.

The Paris team that advised Lisi Aerospace in this M&A transaction included Olivier Genevois (partner), Emmanuelle De Schepper (of counsel), Hugo Casanovas and Clémence Breuil (associates).

Emmanuelle Van den Broucke (partner) advised in connection with the merger control aspects of the transaction.
