

Dentons advises Innovatus Capital Partners on US\$10 million pre-export secured facility

December 2, 2020

Kyiv —Global law firm Dentons acted as Ukrainian legal counsel to Innovatus Capital Partners in connection with a US\$10 million pre-export secured facility to a group of companies dealing with producing and trading of grains, oilseeds and byproducts of oilseeds (oil and meal) and other farming services.

Kyiv-based partner Natalia Selyakova led the Dentons team with significant input from Counsel Nadiya Shylienkov and Associate Artem Lukyanov.

About Innovatus Capital Partners, LLC

Innovatus Capital Partners, LLC, is an independent adviser and portfolio management firm with approximately \$1.6B in assets under management. Innovatus adheres to an investment strategy that identifies disruptive and growth opportunities across multiple asset categories with a unifying theme of capital preservation, income generation, and upside optionality. The firm has a dedicated team of life sciences investment professionals with deep experience in healthcare, including life sciences. Innovatus and its principals have significant experience providing debt financing to medical device, diagnostics, and biotechnology companies that address unmet medical needs, improve patient outcomes, and reduce overall healthcare expenditures. www.innovatuscp.com
