

Chambers Europe 2020 ranks 191 Dentons lawyers as leaders in their fields

March 17, 2020

The *Chambers Europe 2020* guide has ranked a total of 191 Dentons lawyers across 16 jurisdictions in continental Europe, the UK, as well as in the CEE and Europe-wide categories. Of those, 39 are in the top Band 1 and 44 in the Band 2 standings. Furthermore, eight of our lawyers earned the Eminent Practitioner ranks and two were named Star Individuals. The market has also recognized our young talent – 12 of our lawyers were included in the Up and Coming category, and five others were recognized as Associates to watch.

Alongside individual rankings, the newest *Chambers Europe* guide granted Dentons 139 practice and sector rankings. Our Firm received 29 Band 1 and 33 Band 2 standings. We earned 18 new or improved practice rankings, including an improved position in the CEE-wide Projects & Energy category and the Europe-wide Real Estate category.

The *Chambers Europe* guide covers 52 jurisdictions across Europe. The guide identifies the top lawyers and law firms in the region and ranks them based on in-depth research and feedback from clients and peers.

Dentons' full practice and lawyer rankings are available on the [Chambers & Partners website](#).
