Dentons Australia Region Chair, Doug Stipanicev, said he was proud of the number of lawyers who had been recognised this year.

“The recognition by Best Lawyers of Dentons lawyers from across Australia, show the level of talent Dentons can offer its clients from the East to West coasts.”

Recognition in Best Lawyers is based on peer review and Best Lawyers’ methodology aims to capture the views of leading lawyers about the professional abilities of their peers in the same geographical area and legal practice area.
