

Dentons advises HB Reavis on sale of Symbiosy to HqO

DENTONS

January 19, 2024

Dentons has advised the international workspace provider HB Reavis on the sale of its in-house created technology platform Symbiosy to HqO, the world's leading real estate experience platform. Following the transaction, HqO will power HB Reavis' portfolio of workspaces and support its growing global customer base through a strategic partnership.

Symbiosy offers a portfolio of smart building solutions consisting of system integrations, IoT, and software interfaces. Symbiosy's portfolio of cutting-edge smart office technology solutions provides employee experience, data management, and visualization tools that support an enhanced workplace experience for improved performance. The acquisition will enable the further development of the offering to provide additional benefits, enhanced services and solutions for occupiers. It will also strengthen HB Reavis' digital experience offering to existing and future clients.

Partner **Juraj Gyárfáš** (Bratislava) led Dentons' cross-jurisdictional team, supported by Partner **Rob Irving** (Budapest), Partner **Ilan Katz** (New York), Senior Associate **Radoslav Pálka** (Bratislava), Project Manager Ekaterina Dorokhova and Associate Michael Liou (New York).
