## Overview

Anda Todor, Partner with Dentons Bucharest, is an experienced Romanian lawyer focusing on the areas of corporate and commercial, banking and finance, project finance, private equity, energy, media, capital markets and intellectual property. She has supervised numerous large transactions, providing advice in complex deals involving multiple jurisdictions. Anda conducted a number of pioneering transactions on the local market such as the very first listing of a Romanian company on the London Stock Exchange or the selling of the largest wind project in Europe, located in south-east Romania.

## Experience

- Supervising the team advising the Fortune Global 500 company CEFC China Energy Company (CEFC) in its acquisition of a majority stake in KMG International (KMGI), a unit of Kazakhstan's state oil and gas company, which owns refining and fuel distribution assets in Europe
- Supervising the team advising French giant GDF SUEZ on the acquisition of a local company in view of developing GDF's first wind farm project in Romania. The deal also involved the turbines supply and long-term maintenance agreements for 21 wind turbine generators purchased from Siemens.
- Supervising the team advising leading local wind farm developer Monsson Alma on the sale of several wind energy projects to major investors
- Supervising the team advising Continental Wind Partners investment fund on selling the largest on-shore wind energy project (600 MW) in Europe (located in south-east Romania) to Czech-based CEZ
- Coordinating the team advising the Office of State Ownership and Privatisation in Industry in Romania (OPSPI) on the acquisition of intermediary services regarding the initial public offering of Natural Gas Company "Romgaz", the largest gas producer in Romania
- Supervising the team advising US-based SPAR Group on entering the Romanian market following a joint venture with the local company Business Ideas Provider Group
- Coordinating the team advising VB Real Estate Services on acquiring five distressed project companies in

Romania financed by Investkredit Bank AG

- Supervising the team advising FMCG giant Procter&Gamble on selling its local division of professional products Wella Romania to local leading distributor Interbrands
- Coordinating the team advising a leading French producer for horizontal industry in the automotive sector in connection with internal restructuring (a.i. merger of its companies in Romania)
- Coordinating the team advising the largest integrated pharmaceutical wholesale and retail business in Romania, A&D Pharma, in connection with its admission to the Main Market of the London Stock Exchange
- Supervising the team advising the shareholders of leading Romanian courier services company Cargus on the sale of all their shares to DHL
- Coordinating the team advising regional media company owning top local TV channel on corporate, intellectual property and competition matters
