Overview

Annreika is an associate in Dentons' London office. She is a member of the Banking and Finance practice group.

Annreika focuses on derivatives and structured finance, both conventional and Islamic. She advises banks, corporates, and funds on a wide range of derivatives and structured finance transactions across the full range of asset classes including rates, FX, credit, equities and commodities.

Annreika previously worked for six years in a top-tier investment bank where she gained experience in advising on derivatives and prime brokerage related transactions.
