Overview

Anthony is a partner within the Banking and Finance group who has had significant experience acting for domestic and foreign lenders on a range of financing matters in London and Sydney. This experience, together with his in-house work at the London branch of Société Générale, ensures Anthony brings commercial and tailored service to his clients.

Anthony has developed a particular focus on asset-based lending, trade finance, real estate lending and restructuring. In addition to his finance experience, he regularly advises clients in the finance, agricultural, corporate trust, automobile, construction and commercial leasing industries. He has been particularly instrumental in the Firm's work on the Personal Property Securities Act 2009.

Experience

- **Bank Australia:** Acting in relation to a development and working capital facility for a major community housing provider.
- **Community Sector Banking:** Acting in relation to a development and working capital facility for a major community housing development for a significant community housing provider.
- **Bank of Sydney:** Acting on a US\$30 million trade facility in respect of the supply of live cattle to Asia.
- **Bankmecu:** Acting in relation to a AUS\$50 million facility provided to a community housing provider for development and working capital purposes.
- **BNY Mellon:** Advising as security trustee and bond trustee on Australia's largest public private partnership (AUS\$3.6 billion), the Reliance Rail contract for the finance, design, manufacture and maintenance of 624 single- and double-deck electric passenger trains for Rail Corporation New South Wales.
- **BNY Mellon:** Advising as security trustee and note trustee in relation to the restructure of Australian Wheat Board's facilities.
- **Burdale Financial Limited (a subsidiary of Bank of Ireland):** Acting in relation to a £75 million cross-

border asset-based revolving facility provided to the spare business of Jaguar Land Rover Group.

- **Burdale Financial Limited (a subsidiary of Bank of Ireland):** Acting in relation to a £120 million syndicated cross-border bridge facility and a £165 million asset-based revolving facility to assist with the recommended takeover of TDG plc by Laxey Partners Limited.
- **Eurohypo AG, London Branch:** Acting in relation to a £260 million facility and financing structure for a Rockpoint fund enabling the refinancing of a facility and financing the acquisition of an additional industrial property portfolio from Scottish Widows.
