## Overview

Barry is a partner in the Real Estate practice based in our Glasgow office having joined the firm in 2005. His varied workload encompasses a broad spectrum of commercial property work including investment acquisition and disposal, leasing on behalf of Landlords and Tenants, and development work for clients such as Hammerson, Aviva Investors, M&G Real Estate, Universities Superannuation Scheme Limited, London & Regional, Doosan Babcock, Scottish Enterprise and Glasgow Clyde College.

## Experience

- **Major institutional fund:** Working on the acquisition of the Aurora Building in Bothwell Street, Glasgow at a price in excess of £70m and completed within 8 days of instructions
- **Large UK institutional funds:** Acquiring student accommodation on a number of occasions
- **Various clients:** Advising on the Scottish aspects of a number of large real estate portfolio acquisitions and sales
- **Confidential client:** Regearing the Scottish aspects of a large international Engineering business
- **Various clients:** Pre-letting a number of shopping centres both in the Central Belt and North East of Scotland
