Overview

Campbell is an associate in Dentons' London office. He is a member of the Real Estate practice group.

His focus is on development, asset management, investment acquisitions and disposals, and corporate real estate advisory matters. Campbell has assisted on development projects from purchase of the land through to leasing and sale of units, and has advised on a number of corporate acquisitions with cross-border elements.

Campbell has acted for a wide range of clients including institutional investors, London-based and national developers, and BTR developers. Campbell is qualified to practice law in Scotland.
