

## Careers in the Middle East

Dentons is the largest legal services in the world and has the broadest network of any international firm in the Middle East, with over 150 Arabic and international lawyers and a network spanning the UAE, Saudi Arabia, Oman, Qatar, Lebanon, Jordan and Egypt. We also provide local and international legal services throughout the region.

With over 50 years' experience of serving clients in eight key sectors, we have significant understanding of and long-standing relationships with the local business communities. These factors, together with our breadth and depth of expertise, make Dentons the natural choice for local or international firms doing business in the Middle East.

So, why join the Dentons team?

The answer is simple: because we make it our job to attract and retain the most exceptional and diverse colleagues in the business. Here, your professionalism is valued, and we'll help you develop your skills and knowledge in an open and supportive environment. In addition, our international network fosters a collegiality unmatched at other firms. We are proud of the achievements of our Firm members, both professionally and within our wider communities.

At Dentons, we'll encourage you to realize your potential and build a rewarding career.
