Overview

Chiara Bocchi is a senior associate based in Dentons' Milan office and a member of the global Intellectual Property & Technology practice.

Chiara assists national and multinational clients in a number of different sectors including ICT, e-commerce, automotive and fashion, in both contentious and non-contentious matters, on legal issues concerning intellectual property & technology and commercial contracts (B2B and B2C).

She is specialized in data protection and holds the Certified Information Privacy Professional/Europe (CIPP/E) certificate through the International Association of Privacy Professionals (IAPP). The advisory activity ranges from organizational matters (e.g. acceptable use policies, bring your own device policies, smartworking, location issues, biometric identification) and business development (e.g. direct marketing, NPS) to internet issues (e.g. social networks, cookies, applications for mobile devices, online behavioural advertising, big data).

Recognition

Chiara is ranked by the legal directory *The Legal 500* as "Rising star" in the TMT area.

Insights

- Co-author, "Regulating artificial intelligence in the EU: Top 10 issues for businesses to consider," "*Business Going Digital*" online guide, June 2021
- She is the author of various publications and articles on data protection, and she often participates as speaker in workshops, lectures and seminars on data protection as well as on national and international contracts, mediation and ADR, consumer protection, commercial practices and advertising.
- She regularly publishes contributions to Dentons TMT Bites newsletter and holds meetings during our Digital Breakfasts@Dentons webinars.
