Overview

Christopher is an English-qualified lawyer working on projects and transactions in the energy sector. He was based in the Middle East from 2007 to 2014 and now lives and works in London. He specializes in work across the energy value chain, including host government agreements, corporate and asset-based transactions and commercial contracts for project operations and development. He has a particular focus on projects in Africa and the Middle East.

Recognition

- Christopher was recognized by *Chambers Global* 2017, where it was noted that he is "very good at what he does." He is named as a projects lawyer with extensive experience advising on oil and gas matters in Iraq.

Insights

- Author, "Stormy weather in the UK North Sea," *AIPN Advisor*, December 2016
