Senior Policy Director

Senior Policy Director

Atlanta

D +1 404 527 8539

dan.baskerville@dentons.com

Overview

Dan Baskerville specializes in state and local government affairs and has 20 years of experience representing clients at the Georgia General Assembly. He has extensive experience and knowledge of local government issues, especially in relation to local governments within the metro-Atlanta region.

Mr. Baskerville concentrates on assisting the lawyers of the Government Affairs team with various state and local issues. At the state level, Mr. Baskerville represents the interests of a wide variety of clients at the Georgia General Assembly. These interests include transportation, environmental, educational, economic development, financial, health care and local government. At the local level, Mr. Baskerville works to assist various clients in obtaining economic development incentives, permits and licenses.

Prior to joining the firm, Mr. Baskerville was a lobbyist for the Fulton County Board of Commissioners. As director of the County Manager's Office of Intergovernmental Affairs, he was responsible for representing Fulton County's position on all state and federal legislation with potential impact on the County.

Additionally, Mr. Baskerville was the administrator of the Recycling Market Development Zone Program for Los Angeles County. Prior to that he was a policy analyst for the New York City Department of Environmental Protection and also worked for the Mayor of New York, as a legislative aide in the Mayor's Washington, DC lobbying office.
