The Problem

The background features a blurred image of a domino chain reaction. A series of white dominoes are arranged in a line, with some already tipped over and others still standing. The scene is overlaid with a semi-transparent purple gradient. Three large, overlapping, semi-transparent purple circles are positioned on the right side of the image, partially obscuring the dominoes.

Exposures from the pandemic and increased complexity of the future

The image features a purple-tinted background. In the foreground, a chain of white dominoes is shown in a state of falling, with some already tipped over and others still standing. In the background, a person is visible, appearing to be in motion, possibly having just thrown a domino. The overall scene suggests a process of sequential steps or a chain reaction. The text "The Steps You Can Take" is overlaid on the left side of the image.
