

## Overview

As a fund manager, institutional investor, venture capitalist, angel investor or entrepreneur, you need access to multidisciplinary capabilities to address the many issues surrounding your investment.

Dentons' Private Equity team offers seasoned counsel and innovative solutions to guide you through the complexities of any deal. We tailor our sophisticated corporate finance, business advisory, tax and other legal services to meet your unique needs. We draw on our cross-border experience, industry knowledge and valuable connections in the world of private finance.

## Key services include

- Fund structuring and fundraising (tax structuring and contract implementation)
- Implementation of primary investment strategies by buyout, venture capital or senior and mezzanine investments
- Purchase contract negotiations and shareholder agreements as well as cartel registrations
- Legal and tax due diligence as well as legal and tax deal structuring
- Advice to management teams regarding management participation
- Managing portfolios (add-on acquisitions or internal growth, restructuring, capital measures etc.)
- Sale of portfolio companies or targets, IPOs or other exit strategies
- Liquidation of the funds
