

Overview

From M&A to competition, real estate to technological innovation, we have a strong record advising major national, regional and international retailers on the core drivers of their business in Russia, CIS and the Caucasus.

With a legal partner who understands the myriad business and legal issues you face, you will obtain practical advice and solutions no matter where and how you operate in the retail sector. Lawyers from multiple practice areas, drawn from all our Russia, CIS and the Caucasus offices, collaborate to ensure you receive best-in-class advice. We seek to resolve your current issues, while simultaneously establishing a framework for future legal and strategic competitiveness in the market.

Key service areas include:

- Mergers, acquisitions, joint ventures and strategic alliances in the retail sector
- Real estate, including the development, acquisition, disposition, leasing, financing, construction of commercial real estate
- Competition law, with a focus on legislative and regulatory policies that affect retailers
- Retail tax issues
- Bankruptcy and reorganization
- Intellectual property and brand management
- Technology and media
- Data protection
- Employment
- Commercial litigation
