

Overview

Consumer retail powers much of the US economy. In this dynamic and versatile industry, you need a legal team that takes a multidisciplinary approach to navigating a fast-paced world.

Like you, Dentons focuses on the issues at the core of your business, day-in and day-out. The ever-changing retail market requires an innovative legal partner who can deliver solutions to the local, national and global issues that are key to driving growth and establishing your strategic competitiveness.

Rely on our team to provide comprehensive legal and business solutions that support retail businesses at every level—from product design, patent and trademark protection, manufacturing, licensing, franchising, sales, e-commerce, distribution, site acquisitions, financing, sourcing, business development, health care regulatory considerations in pharmacy operations, consumer protection and more. We can help you navigate every aspect of your business, from media advertising, consumer credit and creation of customized shopping channels to copyright and trademark infringement, competition issues, data protection, operations and beyond.

As your legal partner, Dentons' Retail team works alongside you in all the key areas you expect from your lawyers—as well as some that may surprise you. We collaborate with our Firm's other diverse practices in locations around the world to deliver comprehensive service.
