

Overview

Cross-border and domestic commercial agreements necessarily entail the possibility of disagreement; when a dispute escalates, the search is on for a forum to resolve it in a fast and cost-effective way. Dentons is a go-to firm for both commercial and investment arbitration around the world, and our Bolivia team of experts provide claimants and respondents alike with top-notch legal and pragmatic advice. Whether your dispute is international or domestic, count on us to give you the best possible strategic and pragmatic advice.

Our team has the unique experience, skills and insight to provide the best legal advice. Our advisors understand your business and objectives and possess a keen knowledge of the rules—written and unwritten—that govern arbitration proceedings. With particular depth of knowledge in the oil and gas, mining and infrastructure and government sectors, we will partner with you to help ensure your success.

We guide you through all stages of arbitration—from drafting the dispute resolution mechanism best suited to your circumstances through the arbitration proceedings and post-arbitration enforcement to recognition of the award. We also are adept at negotiating settlement agreements.

Dentons' International arbitration practice is ranked among the elite top 30 practices in the world by the *Global Arbitration Review*.
