

Overview

Benefit from a full-service Corporate team providing general corporate, commercial and civil law support to local and international clients with operations in Argentina. Our advice ranges from corporate structuring to assisting with day-to-day activities, including the implementation of business relationships, drafting the full range of business contracts, such as distribution, licensing, franchising, agency and joint venture agreements.

Areas of focus include:

- Acquisition of Companies and Assets
- Capital Markets
- Commercial Contracts
- Compliance and Anti-Corruption
- Corporate Governance
- Insurance and Reinsurance
- Intellectual Property
- Labor and Social Security Law
- Tax and Foreign Trade
