

Overview

Deeply rooted in key business hubs and niche markets across Europe, Dentons' Corporate team delivers seamless, integrated solutions covering the full spectrum of corporate transactions. We work together with you to create innovative solutions, helping you preserve value while managing risk.

Whether public and private M&A, joint ventures, securities offerings or private equity - we are at your side, enabling you to meet your business needs effectively and efficiently. Our practical approach, coupled with sound, constructive and responsive advice, allows you to navigate roadblocks at critical moments.

Benefit from our comprehensive experience across all corporate disciplines, including:

- Joint ventures
- Public and private M&A
- Corporate finance
- Private equity
- Disposals and corporate restructurings
- General commercial, antitrust and corporate governance issues

With deep knowledge of the industries in which you operate, including technology, media and telecommunications, energy and life sciences, coupled with our far-reaching experience in advising international, national and emerging companies, we maximize our global presence and local expertise to meet your needs in Europe.
