

## Overview

With a long and well-established history of client care, our lawyers in the Dentons CIS Corporate practice can guide you through each phase of the company and investment life cycle from structuring/formation, acquisition and/or market entry to sale, liquidation and/or market exit. We are a one-stop shop for any company or entrepreneur conducting business in Russia and CIS. We have the ability to service all your regulatory, tax, intellectual property, employment, anti-monopoly, compliance, banking/finance, real estate, M&A, litigation, corporate governance and commercial needs.

For transactional work, turn to Dentons CIS Corporate Practice and benefit from partnering with one of the largest, most diverse and accomplished teams in the region. Whether your transaction is cross-border or local, buy-side or sell-side, requires large scale due diligence or a high level review, tax, real estate, intellectual property, regulatory or other specialty advice, we have the 'on the ground' depth and capability to put together the right team for any transaction. We can help you drive your business growth, meet challenges head on and anticipate your changing business needs, yet you remain in control at all times.
