

## Overview

When you are planning to establish or expand your franchise in Central Asia, count on Dentons' franchising and distribution team. Our lawyers have extensive experience in all aspects of franchising and related distribution models across a broad spectrum of industry sectors, including: retail, hospitality, entertainment, technology and automotive.

### Key service areas

- Franchise and distribution formation and structuring
- Regulatory compliance
- Real estate
- Supply chain management
- Franchise relations
- Employment
- Mergers and acquisitions
- Tax
- Licensing
- Product marketing and sales
- Customer data management
- Antitrust and competition law
- Litigation and alternative dispute resolution

From negotiating and drafting a commercial lease agreement to securing timely receipt of administrative approvals, registering with the tax authorities or advising on the necessary work permits to hire foreign staff, we combine lawyers and professionals from various practice areas to provide you with an integrated solution and help ensure that your activities in Central Asia run efficiently.
