

Real Estate Leasing, Occupation and Operation in Australia

Overview

Corporate landlords and tenants rely on our advice and negotiation skills to secure their desired terms in office, retail and industrial leases.

Call on a team with more than 20 years of experience in the field, from working in-house in the property management divisions of large companies to acting as their preferred supplier of leasing advice.

Voted by our peers as leading practitioners, our long-held clients value our ability to achieve results.

From leasing Australia-wide property portfolios through to managing tenants during property redevelopments, we are dedicated to minimizing disruption to your investment.

The team is skilled in drafting and negotiating:

- Office, retail and industrial leases
- Leases for retirement villages
- Leasing arrangements during property development or redevelopment
- Telecommunications leases and licenses between telecoms providers and landowners
- Leases in other fields such as car parks, illuminated signage and marinas
- Lease incentive and fit-out agreements

Real-time monitoring of renewal dates and access to your lease terms is facilitated by our e-Leasing software.

For ad hoc telephone advice on lease terms, take advantage of our complimentary help desk service. Coupled with our free seminars, forums, newsletters and access to our knowledge center, our focus is to develop a long-term collaborative relationship to secure returns on your investment.
