

Overview

In an environment such as the real estate market, which is often described as overheated, you need to be able to count on a cool judgement, based on profound expertise and a passion for overcoming complex challenges. The in-depth knowledge of our specialized Real Estate lawyers are your most valuable asset.

Key service areas

Look to Dentons for comprehensive advice on the following areas:

- Transactions
- Financings
- Project developments
- Joint ventures
- Asset management
- Tax and corporate structuring in the real estate sector

Our clients are institutional and private investors, private equity funds, closed and open property funds, German and foreign investment funds, real estate developers, banks and alternative investors, large tenants, construction companies and building developers, as well as international corporate groups.
