

Restructuring, Insolvency and Bankruptcy in Bolivia

Overview

Dentons Guevara & Gutierrez is uniquely positioned to assist you across the full spectrum of specialist advice on restructuring, insolvency and bankruptcy. You are supported by a team of lawyers from the fields of finance, corporate, litigation/dispute resolution, real estate, intellectual property, employment and pensions.

Due to our long history and experience in the field, those teams have an innate understanding of the particular needs of clients in the financial distress. We are adept at devising creative litigation strategies and also structuring settlements and workouts. We pride ourselves in bringing a practical, business-minded, cost-effective focus to these situations.

With considerable and wide-ranging experience in advising directors and managers of companies and companies in financially stressed or distressed situations, our lawyers can guide you through the myriad of opportunities and pitfalls that you face, providing you with a professional partner who can give you pragmatic, commercial and technical advice on turnaround strategies.

Whether you are a borrower, bondholder, manager, fiduciary, strategic acquirer or distressed investor, our lawyers will help you identify your goals, stabilize your situation or achieve your target in Bolivia, and without resorting to formal proceedings whenever possible.

Working with our team, you can be assured that you will have the advantage of partnering with lawyers who are at the forefront of new developments in this area, with in-depth experience in:

- Independent advice to board members
- Turnaround strategies
- Liaising with tax authorities, credit insurers, banks, bondholders and other creditors
- Litigation for and against directors and managers and related insurance coverage
- Liaising with insolvency office holders
- Representation in judicial restructuring and out of court restructuring –local and cross- border
- Advisory services for distressed asset purchase
