

# Restructuring, Insolvency and Bankruptcy in Russia, CIS and the Caucasus

## Overview

Insolvency regimes in Russia, CIS and the Caucasus countries are continually evolving; becoming more simple, clear and effective, which is essential for attracting more domestic and foreign investment. With insolvency regulations constantly developing, you need regional legal advisers who can keep you one step ahead of the game.

In Russia, CIS and the Caucasus countries, the Restructuring, Insolvency and Bankruptcy group at Dentons possesses a deep understanding of your markets, regardless of where you trade or invest. To manage your multijurisdictional work, we can leverage expertise from more than 240 restructuring and insolvency lawyers around the globe. We employ creative strategies and a solutions-oriented methodology, allowing you to act quickly and confidently through every step of the process.

Our lawyers offer insights from all perspectives, as we act for those facing financial difficulties, creditors, insolvency practitioners, accounting firms and law firms. We can advise you on restructuring, workout and insolvency issues, as well as associated employment, tax, banking, IP, real estate, litigation and arbitration matters.

Dentons' full service, integrated approach to your restructuring matters is accompanied by our unwavering commitment to your best interests.

The following represents a snapshot of the services provided by our Restructuring, Insolvency and Bankruptcy team in Russia, CIS and the Caucasus countries:

- Advising companies experiencing financial difficulties, including arrangements with creditors
- Advising investors in distressed businesses
- Assisting banks to:
  - obtain effective security in any jurisdiction
  - enforce security and other rights against borrowers
  - restructure loan facilities and refinance borrowers' indebtedness
- Advising office holders on their duties with asset disposals, asset tracing, and dispute resolution
- Advising directors on their duties in relation to potential insolvencies
- Assisting creditors dealing with insolvent companies and companies with staff reduction, industrial disputes and legal issues with labor and employment
- Representing and advising other parties in all types of insolvency litigation, including recognition and enforcement of foreign insolvency judgments
