

Restructuring Insolvency and Bankruptcy in the United Kingdom

Overview

When financial distress threatens a business, everyone looks for a rapid resolution. With decades of experience at the top of the game, Dentons' Restructuring, Insolvency and Bankruptcy team in the UK can help you achieve that resolution.

When it comes to complex financial turnarounds, wind-downs or big ticket cases, rely on a firm long renowned in the City of London. Thanks to our extensive track record handling a wide variety of restructuring scenarios, our lawyers bring an innate understanding of the potential challenges and opportunities. We work to understand your circumstances and goals, and we devise the strategies necessary for a business-minded, cost-effective outcome. With more than 40 lawyers and professionals, our group is one of the largest and most experienced of its kind.

Wherever in the world you operate or invest, Dentons can help you navigate the legal and financial climates to secure a successful restructuring. We'll help you identify the jurisdictions and laws best suited to protecting your interests, taking a global approach to your challenges. Tap into our deep connections with local business communities and regulators in markets worldwide. Benefit from a core UK team that coordinates with Dentons offices in Europe, North America, the Middle East, Asia, Africa, Russia, CIS and the Caucasus.

Debtors, creditors and other interested parties have turned to us in times of trouble, and have always found themselves in safe and capable hands. We have handled high-profile restructurings in sectors including construction, engineering, manufacturing, energy, financial institutions, funds, health care, leisure, real estate, retail, technology, media and transportation.
