

Overview

Before a pension fund makes an investment, the legal requirements must be carefully examined and considered. To complete these complex transactions you need a trusted legal advisor by your side, with expertise in tax, pension, investment, real estate and the corporate sector.

The lawyers at Dentons have a proven global track record. We've advised pension plans, investment managers and other stakeholders from the initial stages of structuring deals to implementation and subsequent financing challenges. Our deep, broad experience enables us to provide you with options that take maximum advantage of income tax, pension investment and real estate planning opportunities, while addressing fiduciary and prohibited transaction considerations.

Engage us, and we will work in collaboration with you to minimize your risk and get your deal done.
