

Strategic Advisory and Entrepreneurial Services

Overview

CEOs, senior executives, boards and entrepreneurs often must consider a range of financial, business and strategic decisions that go beyond purely legal choices. Dentons' Venture Technology and Emerging Growth Companies practice offers strategic advisory services that can assist you in these areas. Each member of our team is uniquely suited to provide this strategic counsel in a way that leverages a broad array of expertise among our offices worldwide—from Silicon Valley and other key centers of innovation within the US to Canada, Europe and beyond.

Our Venture Technology team can become an important part of your executive suite and boardroom by helping you:

- Understand the implications of strategic decisions on your business
- Identify trends in the marketplace that capture developments and new approaches
- Facilitate the flow of capital for strategic growth
- Position your company for an exit that captures market windows and enhances shareholder/constituent value
- Recruit key talent
- Design a pathway to build additional value from core assets in view of the competitive landscape, including intellectual property

We proactively leverage our broad set of relationships in the ecosystem to drive value to you and your business.
