

Hotels and Leisure in the Aviation and Aerospace Sector in United States

Hotels and Leisure

Across the globe you can draw on Dentons' in-depth knowledge of the hotel and leisure industry to address today's opportunities and challenges in an thoughtful way based upon decades of unsurpassed experience. Whether you're a hotel owner, investor, lender or owner/operator, we can provide you the value-added guidance and counsel you are seeking. Turn to us for creative and practical solutions regarding acquisitions and dispositions, financing, management agreements, mixed-use projects and much more. Very few lawyers in the world focus exclusively on hotels and other leisure facilities. Because that is all our core team does, your industry is our industry. We address your issues not only from a legal perspective, but a business perspective and a "market perspective."

Consistently ranked among the best in the world, Dentons' Hotels and Leisure practice comprises a core team of recognized industry leaders who are focused exclusively on the hotel and leisure industry. The core practice team is complemented by cross-disciplinary support from more than 175 partners and colleagues throughout the Firm who regularly work on hotel and leisure industry matters. These lawyers include tax, REIT, trademark, labor, dispute resolution, real estate and corporate practitioners. Uniquely situated to serve our clients across all jurisdictions and to leverage our firm's capabilities in multiple regions, we function internally as an integrated team across the globe. Our team specializes in thoroughly understanding the hotels and leisure industry from a global perspective, at every level. We are also keenly aware of the multitude of issues involved in doing cross-border and multi-jurisdiction transactions and how to successfully navigate through the same. Whether developing a complex mixed-use project, refinancing a hotel or portfolio, negotiating a management agreement, or looking to expand a portfolio through a corporate acquisition or joint venture, you'll gain the support of a trusted and experienced partner.

Providing top-ranked, value-added service to our clients, we are proud to serve as trusted advisors to some of the industry's most respected owners, investors, developers, operators and financial institutions, on sophisticated transactions to ensure every aspect of every deal is addressed accordingly. Our clients are distinguished and unique—they expect best in class service at every level to address their legal needs and we deliver.

You can rely on us for advice on:

- Management, franchise and license agreements: hotels, resorts, gaming, food and beverage, golf and spa
- Creation, operation and restructuring of complex mixed-use projects
- Development matters
- Company and asset acquisitions and dispositions
- Equity and debt financings
- REITs
- Trademarks
- Operational issues

Aviation and Aerospace

This complex industry ranges from aviation and aerospace service companies to airlines, charter companies, private operators, manufacturers, aircraft leasing companies and other financial institutions, airports, and governmental agencies. It's an industry where you want specialists with aviation expertise, access to an experienced multijurisdictional team, and experts on the ground in the places you do business.

Dentons' lawyers know the aviation industry. We combine global expertise with local knowledge in many areas, including:

- Asset-based financing
- Joint ventures and mergers and acquisitions
- Manufacturing, selling, purchasing and leasing aircraft and equipment
- Local and international regulatory regimes and treaties
- Navigation issues
- Insurance and risk management

- Litigation and dispute resolution
- Commercial and government contracts
- Intellectual property
- Aviation claims
- Disaster preparation and response (crisis management)

Working together, you get all the skills our lawyers have developed representing leading airlines, manufacturers, aviation service providers, airport developers, lessors, financiers, insurers and regulatory bodies. So wherever you fit within the aviation industry, Dentons can help.

United States

Dentons has partnered with US-based clients for more than a century—helping global brands protect and expand their market positions and small businesses grow into market leaders. As our clients have grown into new markets or adopted new business models, we have responded, expanding our capabilities to meet your needs. Our 25 US locations are home to some of the most skilled and seasoned lawyers and professionals in the nation and each one is fervently committed to one purpose—helping you meet your goals.

The legal, business and policy climate in the US is growing more complex all the time. That's why Dentons goes above and beyond in addressing a client's immediate needs. We forge long-term relationships with our clients, providing vital expertise and insight to guide you through any challenge, and helping you pursue and succeed in every opportunity. Our lawyers and professionals are true partners with our clients. We are attuned to your business needs, and we work together to address legal and business issues that help clients pursue the path that best supports strategies. As your business changes, we change ours as well.

Clients served by Dentons' US locations span a wealth of global Fortune 500 companies, nonprofit organizations, and foreign and domestic governments. We represent a wide variety of industries, including:

- Banks
- Insurers and other global financial institutions
- Media companies
- Manufacturers
- Venture capital-backed startups
- Energy producers
- Health care providers
- Real estate investors
- Local, state, federal and non-US government agencies.

Our more than 1,100 lawyers and professionals across the US have earned broad praise, with talent and insight validated not only by our numerous rankings and awards, but—most significantly to us—by satisfied clients. Areas of practice handled by our US-based lawyers and professionals include:

- Arbitration
- Banking and Finance
- Capital Markets
- Competition and Antitrust
- Corporate
- Corporate Governance
- Employment and Labor
- Energy
- Environmental and Natural Resources
- Franchising and Distribution
- Government Contracts
- Health Care
- Hotels and Leisure
- Immigration
- Insurance
- Intellectual Property and Technology
- Life Sciences
- Litigation and Dispute Resolution
- Mergers and Acquisitions
- Mining
- Native American Law and Policy

- Pensions, Benefits and Executive Compensation
- Privacy and Security
- Private Equity
- Project Development
- Public International Law
- Public Law
- Public Policy and Regulation
- Real Estate
- Restructuring, Insolvency and Bankruptcy
- Securities and Corporate Finance
- Tax
- Technology
- Trade, WTO and Customs
- Transportation
- Trusts, Estates and Wealth Preservation
- Venture Technology and Emerging Growth Companies
- White Collar and Government Investigations
