

Real Estate in the Automotive Sector in United States

Real Estate

No matter where you are in today's competitive real estate market, advice with a global perspective is indispensable. You need a team by your side to navigate this rapidly changing legal environment, which is often complicated by multijurisdictional issues. Whether you're an investor, lender, developer, landowner, tenant, buyer or seller of real estate, you know the challenges of this market—and you want experienced counsel from people who understand your needs.

At Dentons, we bring strong, established local, regional and global experience and know-how to help you succeed in all your real estate ventures and projects. With more than 1,100 real estate lawyers worldwide, coupled with our commitment to an integrated approach, we give you the comfort of a global presence with a deep understanding of the local real estate terrain. We are more than your real estate advisors, we are your collaborative business partners, anticipating trends and reacting with speed and certainty on your behalf.

Whether you need advice on real estate leasing, project finance, acquisition and disposition, development, construction or investment, or you need the services of astute counsel to resolve a real estate dispute, our team of committed, respected professionals across the globe is keen to help you succeed. Where your needs extend beyond real estate, Dentons offers a wide range of practice knowledge and services worldwide in all business-related areas, including: insolvency and debt restructuring, environmental and regulatory compliance, corporate structuring, taxation, and cross-border matters, to name but a few.

Whether real estate is your business or your business relies on real estate, drive it forward with Dentons by your side.

Automotive

Times have been changing in the automotive sector. Customers are thinking differently about their priorities and needs. This means that you must be at the forefront of market developments, while at the same time being in a position to benefit from the upturn in sales. To do all this requires a leading legal partner with the depth of knowledge and breadth of relevant experience to meet your needs.

That's where Dentons comes in. We understand the automotive business and have a driving ambition to assist you across every aspect of your company's operations. You benefit from the experience of lawyers who have worked for many years in the industry, as well as lawyers who have in-house experience working for automotive manufacturers or automotive finance companies, giving you the edge when it comes to advice and solutions. Get business-changing help across the globe on everything from greenfield/brownfield projects and land acquisitions, to post-construction labor and regulatory matters; from joint ventures and dealership distribution, to franchising, funding and retail funding for end users.

Look to our lawyers for effective solutions across the automotive sector, including:

- Corporate advice and transactions
- Greenfield/Brownfield projects
- Treasury-related funding for finance companies
- Dealership distribution/franchising
- Dealership stock and other funding
- Retail finance for end-users
- Competition and other regulatory issues
- Tax
- Real estate
- Government aid/Government relations
- Motor finance recovery litigation
- Product liability and end-user quality and other disputes
- Employment law
- Reorganization, restructuring and insolvency

United States

Dentons has partnered with US-based clients for more than a century—helping global brands protect and expand their market positions and small businesses grow into market leaders. As our clients have grown into new markets or adopted new business models, we have responded, expanding our capabilities to meet your needs. Our 33 US locations are home to some of the most skilled and seasoned lawyers and professionals in the nation and each one is fervently committed to one purpose—helping you meet your goals.

The legal, business and policy climate in the US is growing more complex all the time. That’s why Dentons goes above and beyond in addressing a client’s immediate needs. We forge long-term relationships with our clients, providing vital expertise and insight to guide you through any challenge, and helping you pursue and succeed in every opportunity. Our lawyers and professionals are true partners with our clients. We are attuned to your business needs, and we work together to address legal and business issues that help clients pursue the path that best supports strategies. As your business changes, we change ours as well.

Clients served by Dentons’ US locations span a wealth of global Fortune 500 companies, nonprofit organizations, and foreign and domestic governments. We represent a wide variety of industries, including:

- Banks
- Insurers and other global financial institutions
- Media companies
- Manufacturers
- Venture capital-backed startups
- Energy producers
- Health care providers
- Real estate investors
- Local, state, federal and non-US government agencies.

Our more than 1,100 lawyers and professionals across the US have earned broad praise, with talent and insight validated not only by our numerous rankings and awards, but—most significantly to us—by satisfied clients. Areas of practice handled by our US-based lawyers and professionals include:

- Arbitration
- Banking and Finance
- Capital Markets
- Competition and Antitrust
- Corporate
- Corporate Governance
- Employment and Labor
- Energy
- Environmental and Natural Resources
- Franchising and Distribution
- Government Contracts
- Health Care
- Hotels and Leisure
- Immigration
- Insurance
- Intellectual Property and Technology
- Life Sciences
- Litigation and Dispute Resolution
- Mergers and Acquisitions
- Mining
- Native American Law and Policy
- Pensions, Benefits and Executive Compensation
- Privacy and Security
- Private Equity
- Project Development
- Public International Law
- Public Law
- Public Policy and Regulation
- Real Estate
- Restructuring, Insolvency and Bankruptcy
- Securities and Corporate Finance
- Tax
- Technology
- Trade, WTO and Customs

- Transportation
- Trusts, Estates and Wealth Preservation
- Venture Technology and Emerging Growth Companies
- White Collar and Government Investigations
