Overview

Giangiaco­mo Olivi is a partner in Dentons' Milan office, Europe Co-head of the Data Privacy and Cybersecurity group and Europe Co-head of the Media sector group. He is a member of the global Intellectual Property and Technology practice.

He assists clients, such as national and international companies as well as industrial associations, providing strategic and commercial legal advice in relation to technology, media and communications matters, with a specific focus on data management.

He also assists clients with regard to outsourcing and commercial transactions in a wide range of sectors.

Recognition

Since many years he has been recognized as one of the best Italian lawyer in the TMT sector by leading international legal directories, such as *Chambers Europe* and *The Legal 500*, which includes him in the "Hall of Fame".

"Clients find that he has an unparalleled knowledge of the TMT market and is able to come up with very creative solutions." (*Chambers Europe*). "Expert lawyer" Giangiacomo Olivi "shows great acumen" (*The Legal 500*).

"Excellent, both in terms of quality and timing"

"He is no doubt a star. He always came up with solutions that made a difference. He combines creativity and unlimited energies". (*Legalcommunity IP & TMT Report 2018*).

"He is recognized as undoubtedly a star in this market. He receives widespread praise for the excellence of his work, in particular with regard to all the most innovative areas of the TMT sector" (*Legalcommunity IP&TMT Awards 2019*).
