

Africa Desk in Montréal

The Africa Desk located in Montreal draws upon our lawyers' knowledge and experience of common law and civil law as well as upon their ability to service clients in French and in English to assist Canadian clients seeking business opportunities in Africa and African clients seeking business opportunities in Canada.

Our Africa desk is composed of lawyers with an in-depth knowledge of the African continent acquired through studying, living and advising many national governments, multinational corporations, financial service institutions, non-governmental organizations and educational institutions on a variety of initiatives.
