

Overview

Africa presents some of the most dynamic markets in the world. At a time of growth, positive change and new opportunities on the continent, you need an innovative team with deep experience to help you achieve your goals. To meet the evolving needs of business, government and international institutions in Africa, Dentons connects clients to talent delivering premier service through our offices in Cairo, Cape Town, Casablanca, Johannesburg, Kampala, Mombasa, Nairobi and Port Louis. In 2020 Dentons announced our intent to combine with East African Law Chambers (EALC), a leading firm in Dar es Salaam (Tanzania). This follows our 2019 combination announcements with leading firms in Harare (Zimbabwe), Luanda (Angola), Lusaka (Zambia) and Maputo (Mozambique) growing our office reach to 11 African countries on completion. Coupled with our extensive network of Nextlaw Global Referral Network firms, we are able to support you in more countries in Africa than any other global legal network.

Our team will help you navigate the key legal, regulatory, political and economic factors that affect your operations in Africa. We have acted on deals for over 55 years and our 300+ strong team of Africa-based lawyers and professionals leverage this experience with business leaders, government officials and other key decision-makers in each jurisdiction within the continent—which is a distinctive aspect in helping you to succeed.

Whether you are currently in Africa or have potential interests on the continent, we are well positioned to fulfill a complete range of transactions and advisory work. Our presence spans the continent's economic hubs and niche markets, as well as the key commercial centers around the world that engage in business and investment in Africa.
