

Overview

Once known as Rangoon, Yangon is Myanmar's largest metropolis and also its commercial and intellectual hub. With the country's recent political and economic liberalization, it is the most exciting place to be in Myanmar.

Rely on our expansive capabilities in Yangon, to help you access the country's markets or help you expand into new jurisdictions. With a deep understanding of the regulatory environment and business point of view, we are well-equipped to assist clients with complex legal matters across a wide range of disciplines.

Despite being the fastest growing economy in Southeast Asia in the last two years, Myanmar is currently still underserved by global law firms. Dentons Rodyk's entry is timely and an important part of our regional strategy.

The provision of high quality, reliable legal services are crucial to the successful functioning of any emerging economy. Our team in Yangon will expand our capabilities to provide extensive legal advice to clients with a view to establishing and growing their businesses in Myanmar. Benefit from our top tier talent, driven to provide you with a competitive edge wherever your business takes you.
