China Desk in Moscow

China’s business relationship with Russia, the CIS and Europe is rapidly evolving. China is now equally perceived as an attractive destination for foreign direct investment and as a proactive investor in Russia, the CIS and Europe. Whether you work in Oil and Gas, Manufacturing (Aerospace, Automotive, Industrial Machinery and Tools) or Commodities and Utilities, we can help you meet your challenges and convert them into opportunities. We have shared success stories with Chinese, Russian, CIS and European clients alike.

The Dentons approach

Our fluency in Chinese-Russia/CIS and Chinese-European business relationships is not only that of languages—collectively we speak Mandarin, Russian, English, French, German, Spanish, Cantonese and many other languages—it is also the product of years of immersion in each other’s business culture. Let us advise you on the risks to expect and how best to overcome them.
