

Overview

Established in 2006, Dentons' Chongqing office is located in Yuxing Square in Chongqing City. Focused on gathering top talent, the Chongqing office boasts more than 120 lawyers and professionals from outstanding universities both at home and abroad. Most lawyers have backgrounds including law, economics, finance, business administration, accounting and taxation, and speak English, French, Japanese and German to offer legal services for clients all over the world.

The main practice areas of the Chongqing office include:

- Securities and capital markets
- Mergers and acquisitions
- Outbound investment and foreign investment
- Bankruptcy and restructuring
- Banking and finance
- Mining and energy
- Litigation and arbitration
- Maritime law and admiralty law
- Real estate, construction and hotels
