

Overview

Founded in 2010, Dentons' Kunming office serves southwest China's Yunnan Province. Seizing the opportunity of Yunnan's rapid development, the office has extended its business to South and Southeast Asia and internationally, providing seamless legal service for clients in and out of the province. The clients praise its service as high-quality, efficient and thoughtful.

The main practice areas of the Kunming office include:

- General corporate matters
- Capital markets
- Investment and acquisitions
- Finance, real estate and construction
- Mining and natural resources
- Labor
- International trade
- Criminal defense
- Litigation and arbitration
