

## Overview

Founded in 2008, Dentons' Nanjing office is located in Technology Plaza, Gulou District, Nanjing, in southeast China's Jiangsu Province. The office boasts more than 160 lawyers and legal professionals, who have degrees from prestigious international schools in the United States, United Kingdom, France, South Korea and Russia, and possess rich working experience from leading international law firms. Their backgrounds include experience in international trade, finance, construction, business management, accounting and tax, with an emphasis on understanding clients' business needs and offering practical business solutions.

The main practice areas of the Nanjing office include:

- Corporate finance and capital markets
- Private equity and investment
- Banking and finance
- Foreign direct investment and acquisitions
- Outbound investment
- Real estate and construction
- State-owned enterprises
- Mining, energy and natural resources
- Intellectual property
- Mergers and acquisitions
- Maritime law and admiralty law
- International trade
- Taxation
- Dispute resolution
- Criminal defense
- Administration law
- Labor law
- Aviation
